...the urgent need to scale up significantly towards the goal of universal access to comprehensive prevention programmes, treatment, care and support by 2010.

Ah

world *aids*
campaign

At the beginning of 2008, one-third of people in low and middle income countries needing antiretroviral treatment and one-third of women requiring drugs to prevent transmission of HIV to their children received them. But to scale up towards universal access to HIV prevention, treatment, care and support by 2010, leaders must deliver now.

Stop AIDS. Keep the Promise.
